GROWTH CHART

the dream

What am I doing when I feel fully alive?

What is my biggest dream?

the plan

IDENTIFY YOUR EXCUSES:
(I don't have enough education, experience, money, time, etc...)

START:
Give yourself a start date.
You cannot finish what you do not start.

What can I do to begin my dream?
(Find an agent or publisher, build a website, etc...)

GIVE:
Give an hour of yourself to your dream every single day.
When will that hour be?
(wake up an hour early, stay up an hour late, etc...)

Go two inches a day; don't stop working.

DEADLINE:
Give yourself a deadline.
Without it, nothing gets done.

believe

IN YOURSELF:
You were made for a purpose. Find that purpose and go after it. Chase it. You can do amazing things. It all starts with you.

THAT BIG THINGS ARE COMING:
They're coming, and they're coming fast. As long as you stick to your plan and believe in yourself, you will do mighty things.

Are you ready to believe? What do you want to see in your future?
